This graph shows the number of children that like to drink cherry juice, coke or coconut water.

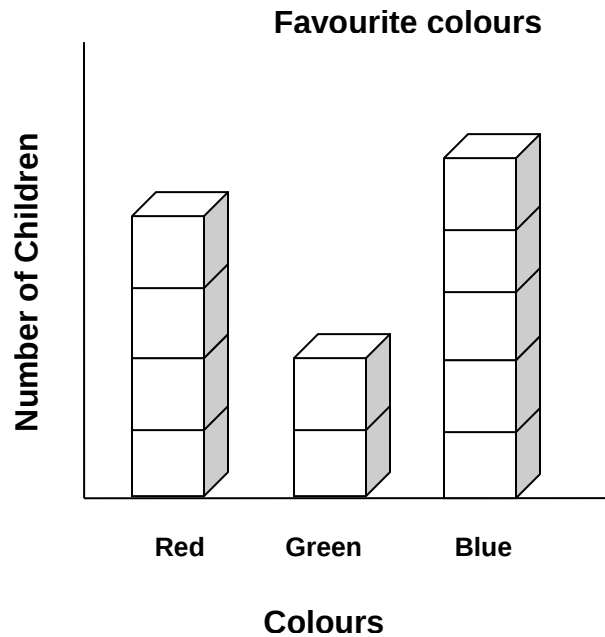

How many children like cherry juice?

Which drink is the most popular?

How many more children like cherry juice than coke?

How many children are there altogether?

This graph shows the favourite colours of a group of children.

Which colour is the most popular? _____

How many children like red the best? _____

How many more children like blue than red? _____

How many children are there altogether? _____

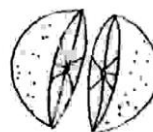

Which is your favourite colour? _____

   	 50 53 55
    	 37 38 39
    	 54 57 59
    	 73 75 77

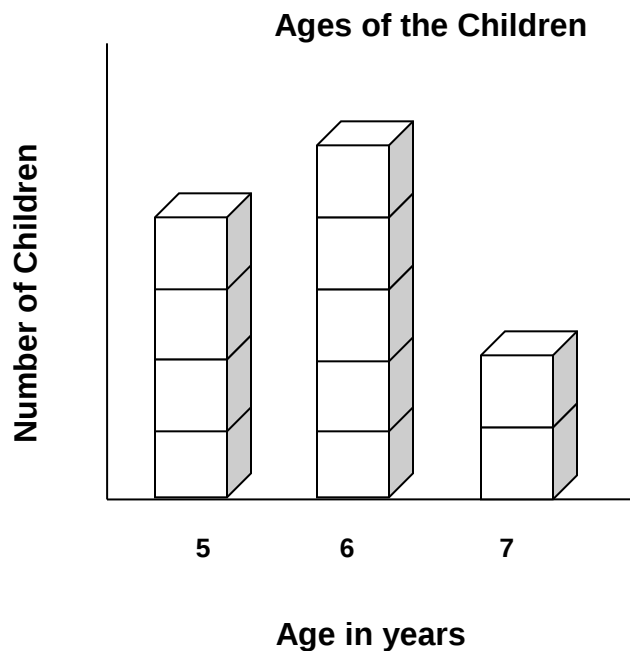

This graph shows the ages of a group of children.

How many children are five years old?

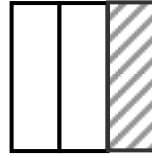

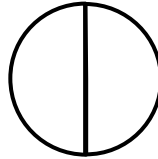

How many more children are 6 years old than 5 years old?

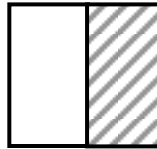

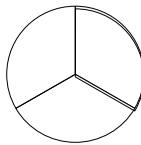

How many more children are 6 years old than 7 years old?

How many children are there altogether?
