GOG/IDB Primary Education Improvement Programme

Easy Path Series

ACKNOWLEDGEMENTS

The Ministry of Education wishes to acknowledge their many useful critical comments, suggestions and professional help given by the following groups and individuals.

- The previous Textbook Production Officer; Colleen Richards.
- The members of the Mathematics Committee; Gocool Boodoo, Harriet Nials, Juliette Grenville, Omanuel Wilson and Mohanlall Jewram.
- The Consultant Editors; Jean Bovell and the late Dr. Sybil James.
- The Textbook Writing Consultant; Jennifer Anderson of Jamaica.
- The Managing Editor; Fitzroy Marcus.

Special thanks is also expressed to Daphne Williams, Dawn Anderson and Debra Sobers for the work they have done in the initial stages of Levels 1 and 2 materials; the Education Officers, teachers and pupils throughout the regions of Guyana for co-operating during the pilot testing of texts and manuals; members of the NCERD staff for their moral support and encouragement and to the IDB/Primary Education Improvement Project for the special interest and invaluable contribution, especially in providing materials and other logistical support.

To all other institutions and individuals whose names are not mentioned, but who, through their moral and physical support in helping this project provide our nation's children with textbooks, we express our sincere gratitude.

CONTENTS

	Page
Comparing mass	1
Fractions - $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$	2
Fractions - $\frac{1}{3}$, $\frac{1}{6}$	4
Number, numeration and place value to 29	6
Expanded notation to 29	10
Match numerals and names to 99	12
Odd and even numbers to 99	13
Number sequence to 99	15
Add by grouping into tens	16
Money - change from up to \$10.00	18
Money - simple word problems	19
Add 1- and 2-digit numerals	20
Problem solving - addition	22
Subtract - 2-digit numerals without regrouping	23
Subtract - 2-digit numerals with regrouping	24
Problem solving - subtraction	25
Let us look back	26
Ordinals to 31st	27
Time - quarter hour	28
Match time - hour, $\frac{1}{2}$ hour, $\frac{1}{4}$ hour	29
Length - centimetre	30
Fractions - $\frac{1}{3}$ of a set	31
Fractions - $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{3}$ of a set	32
Capacity - estimate and measure to the nearest litre	33
Length - estimate and measure to the nearest metre	34
Money - compare values	35
Block graph	37
Time - $\frac{1}{2}$ hour before	38
Time - $\frac{1}{2}$ hour after	39
Let us look back	40

NOT FOR SALE

Let's Do Mathematics
comprises Pupils' Books and Teachers' Manuals
for the six levels of Primary School.

At each level the activities are so designed as to facilitate
a reinforcement of the basic concepts, skills and
understanding necessary to proceed to higher levels
of Mathematics learning

Features of each book include:

1. A suggested teaching sequence.
2. A review lesson at the end of each unit.
3. An evaluative exercise after each five units.
4. Worked examples which are highlighted for focus.
5. An activity approach for Mathematics.
6. Easy to follow instructions.
